# RAY PEARSON

## ABOUT

Born in the heart of hip-hop the Bronx, Ray Pearson has been a fan of hip-hop for as long as he can remember. With greats like Biggie and Grandmaster Flash on the radio, he always knew that he would one day be standing among the legends himself. Inspired personally by his older brother Mello and musical influences such as Eminem, Big Pun, Cuban Link, and Jay Z, he applied parts of their lyrical resonance into his sound and become his own artist.
